

TARGETED RECRUITMENT PLAN

Volunteer Position: _____

What qualifications must this person have?

(skills, attitudes, experience, time required?)

Who has these qualifications?

(a particular profession, age range, educational level, etc.)

What benefits will the volunteer in this position receive?

(gain new skills, meet new people or business contacts, community impact, recognition, career exploration, job enhancement?)

How can we find them?

(professional association, service club, corporate volunteer program, current volunteers, senior center?)

What contacts do we already have?

(Board member, volunteer, professional in the field, spouse?)

Who is the best person to do the recruitment?

(How will recruitment be approached and by whom, based on this?)
