

# LEADERSHIP FUNDS FOR INDIVIDUALIZED PROFESSIONAL DEVELOPMENT APPLICATION FORM

These funds are available to any adult education practitioner who works for an established, AEFLA-funded Nevada program that serves adults who do not have a high school diploma or its recognized equivalent or are unable to speak, read, or write the English language. They are intended to be used for self-directed professional development. For example, they may be used for appropriate classes, conferences, workshops, or site visits that relate directly to the applicant's work. Recipients are expected to provide a short written report, suitable for publication and distribution to other practitioners, within 30 days of event completion.

## Guidelines:

- Applications will be funded based on availability of funds and expected benefit to applicant, program, and students. Priority will be given to applications that have the potential for statewide impact.
- Reimbursement will be made upon completion of the event and submission of required paperwork (receipts and a short report).
