Learner Activity 1 Worksheet: Find the Volcanoes.

1. Use the Internet to find information about five volcanoes. Use the boxes below to record the information.
2. Then, print a copy of the map you find here.  
3. Find the place for each of your volcanoes on the map. Mark the spot!!
4. Collect information about other volcanoes found by other learners. Mark those volcanoes on the map, also.
5. Now look at a map of the Earth’s top layer. The layer is made of “plates” of Earth’s crust.  
   [http://www.cotf.edu/ete/modules/msese/earthsysflr/plates1.html](http://www.cotf.edu/ete/modules/msese/earthsysflr/plates1.html)
   Look at this map of the “Ring of Fire”:  
   Compare these maps to your own map about volcanoes. Do you see any patterns? Describe what you see. Write your answer here

### Volcano #2

**What is the name of the volcano?**

**Where is it?**

<table>
<thead>
<tr>
<th>Latitude:</th>
<th>Longitude:</th>
<th>Country/State:</th>
</tr>
</thead>
</table>

**When did this volcano last erupt?**

**What eruption type was it?**

**What is interesting about this volcano?**

---

### Volcano #3

**What is the name of the volcano?**

**Where is it?**

<table>
<thead>
<tr>
<th>Latitude:</th>
<th>Longitude:</th>
<th>Country/State:</th>
</tr>
</thead>
</table>

**When did this volcano last erupt?**

**What eruption type was it?**

**What is interesting about this volcano?**
### Volcano #4

**What is the name of the volcano?**

**Where is it?**

<table>
<thead>
<tr>
<th>Latitude:</th>
<th>Longitude:</th>
<th>Country/State:</th>
</tr>
</thead>
</table>

**When did this volcano last erupt?**

**What eruption type was it?**

**What is interesting about this volcano?**

---

### Volcano #5

**What is the name of the volcano?**

**Where is it?**

<table>
<thead>
<tr>
<th>Latitude:</th>
<th>Longitude:</th>
<th>Country/State:</th>
</tr>
</thead>
</table>

**When did this volcano last erupt?**

**What eruption type was it?**

**What is interesting about this volcano?**
